

We would really appreciate if all meals could be paid for via the Windmillips App. All meals must be paid for in advance for the week/month ahead. School has set a cut of time of 9am for payment for a meal that day. As a result, meals should be paid for on a Sunday night for the week/month ahead.

The Menu is available on the school website www.windmillips.com. Parents must check with their child which days per week/month their child would like a school meal and make the appropriate payment using the app.

It is vitally important that parents minimise the number of transactions that they making via the Windmillips app, per week to pay for school dinners, as the school incurs a charge for each transaction made. If your child takes dinner once or twice per week, it would be more beneficial to pay monthly.
