23rd April 2020

DIGITAL ADMISSIONS SEPTEMBER 2020 INTAKE: NOTIFICATION OF PLACEMENTS -NURSERY (Target Age) AND PRIMARY 1.

Given the uncertainty of the current situation, EA has made arrangements to prepare and issue notification of placement letters for P1 and Pre-School Stage 1 to parents for receipt on 29 April 2020. The letter will outline the application outcome, provide information on the appeals process and link to the EA website for more information.

As it is possible that due to Covid-19 that some post may take longer to deliver than usual, the Citizen Portal will be opened on Wednesday 29 April and parents / guardians who had applied online can log in to view their child's pre-school (target age Stage 1) and primary 1 placements.

Guidance on how to log in and access placement offers will be accessible on the Educational Authority (E.A) website at www.eani.org.uk

The letter will not include information about induction meetings, start dates etc, I will communicate this information at a later date.

To accept or decline a place for both Nursery and Primary 1, please email us on info@windmillintegrated.dungannon.ni.sch.uk.

Please put either NURSERY or PRIMARY 1 and your child's name in the subject line of the email.

For parents who are new to Windmill Integrated Primary School and Nursery Unit, please keep an eye on our school website www.windmillips.com and download the Windmillips App from the App store to keep you up to date.

We are looking forward to welcoming you and your child to either Nursery or Primary 1 in September 2020.

In the meantime keep safe.

Yours sincerely

Mrs Sandra Ferguson
Principal
Windmill Integrated Primary School and Nursery Unit
