

Dear P5 parents of Communion children,

Please find below a link to a First Communion video resource produced by the Diocesan Pastoral Team. The video listed is part one of a series of videos exploring the Mass. The first video examines the gathering, the introductory rite and the penitential rite. Three further videos will be published on the same web page in the coming days.

<https://www.armagharchdiocese.org/holy-communion/>

I encourage you to share this with your child as they prepare for their upcoming First Communion ceremony.

Please look out for the future episodes in this series which will be released soon. We hope that these resources will assist as you prepare students for the reception of the sacrament.

Mrs Sharon Cleary
