Dear Parent

Thank you to all those parents who have supported the continuation of French throughout the school.

The school has always believed that teaching a modern language provides great opportunities for children to grow their self-esteem and independence as well as enhancing their problem-solving interpersonal and communication skills; important qualities for a child's development which will help them in their transition to secondary education and beyond.

French lessons will continue to be offered at a cost of £1.00 a week per child. There will be 7 weeks from 5th November 2019 till 20th December 2019.

The cost for French up to 20th December 2019 will be **£7.00 per child**. Payment must be received by Friday 8th November 2019.

Payment for French can also be made via our new '**Windmillips**' App. This app can be downloaded onto your smartphone, computer or tablet.

Once you have installed the app you will find a menu.

If you are going to pay for French via the app you need to go to **Bookings** and click on **Book French Club**.

You enter the name of your eldest child and class.

To pay for one child you click on French club

To pay for 2 children you go to the Add on box and click on French Club +1

To pay for 3 children you go to the Add on Box and click on French Club +2

To pay for 4 children you go to the Add on Box and click on French Club +3
